

Ice Etiquette

The following right-of-way is in effect during all club sessions and is to ensure the safety of all skaters and coaches on the ice.

- 1st Priority: Skater skating their program with music.
 - 2nd Priority: Skater in a coached lesson.
 - 3rd Priority: Skater in a spin or jump entrance.
 - 4th Priority: All other skaters.

It is common etiquette to make every effort to stay out of the way of priority skaters, however you do not have to stop skating or stand along the boards.

It is important to be aware, cautious and considerate of other skaters. Be aware that there may be different levels of skaters sharing the ice at the same time and that neither is more important than the other.
