General Info

We are well underway with planning our show this year and are excited to be performing Disney's "The Lion King". For any new members to our club you will probably feel a little overwhelmed with info and questions over the next few weeks but please send us an email or come to the coaches room anytime you may need some guidance.

I try to make the Ice Show News easy for you to follow and give you as much information as I possibly can. The most important information for everyone right now is to your left, please make note of these dates as we will need all skaters to do their best to make it to all rehearsals, picture day, Dress Rehearsal and of course SHOW DAY!!!

Again, don't hesitate if you have any questions. We are all looking forward to a great show!

VOLUNTEER'S NEEDED

This show cannot happen without our wonderful parent and family volunteers...THANK YOU!

Volunteers are always one of the most important parts of any club, especially when we are putting on a show of this size. Your club volunteer hours can be easily met if you are able to help with the show. As we get closer to the show we need a few key positions filled as soon as possible.

Picture Day

These areas that I have listed are on going from now until the show to get the word out about our show and to make this our best show yet! The Costumes will need some light sewing but will mostly need cutting, gluing and painting...and lots of creativity!

ICE SHOW T-SHIRTS

A souvenir t-shirt will be included for every skater participating in "The Lion King". The shirt will include the names of all of the kids participating in the show on the back and is a wonderful keepsake for the kids. If you have not filled out the online info form with your skater's shirt size please do so as soon as possible or stop by the coaches room to let us know what size your skater will need. Sizes are needed no later then Jan. 29th and shirts will be available for pick up approx. 1 week before the show.

TICKETS

Adults (18 & Over)	\$12
Student/Sr.	\$10
Children (3-12 years)	\$8

Our Ice Show is always a huge fundraiser for the club; the funds raised help keep expenses down for all families. We do ask that all families sell at least 10 tickets to the show each year. You will be surprised how easy this is once you start talking to family and friends. You are also encouraged to get the word out on social media by sharing our posts or just by simply updating your own status.

Again this year we are offering a great prize to the family/skater that sells the most tickets. The skater that sells the highest number of tickets will receive **20%** off their registration total for next season and every skater that sells a minimum of 10 tickets will be entered into a draw for **10%** off their registration total.

Tickets and Posters will be available for pick up on Feb. 1st for you to start selling your hearts out! Please feel free to stop by the coach's room to pick up more tickets at any time if you need them!

Picture Day

Picture day will be on Thursday Feb. 8th in the arena lobby. The schedule for this day will be out soon and we will do our best to schedule all groups as close to their practice time as possible. We will be handing out order forms on Feb. 1st so be sure to pick yours up!

Picture day is always a VERY busy day so we appreciate your patience in all of the craziness.

Order forms will be due back on picture day and photos will be ready for pick up on March 1st.

All skaters will be in full costume for pictures. They will be at the arena for your skater to wear that day and then left at the arena so they can be worn for the show in March.

Posters

Let's get the word out!!!

We will have posters available in the coach's room as well as at the Ice Show table in the lobby when we are distributing information.

If you know anywhere that a poster can go up, a work place, school, community board, mailbox etc. please take as many as you like to get the word out.

The kids and volunteers put so much hard work into our show we want to fill the stands!

Costume Requirements

As a club we do provide all costumes for CanSkate, PreCan, Power and PrePower skaters, however we do have some small requirements that we do ask you to supply (i.e. Tights or pants) This list will be emailed out from your group leader early next week.

We ask that you bring your costume requirements to the area no later than Thursday Feb. 1st. These items will be put into individual Ziploc bags labeled with your skaters name for them to wear during the show and so they can be returned after the show day to you.

Who's in the Show?

All Duncan Skating Club skaters are encouraged to participate in our show. Pre Power skaters that would like to take part will be groups with the CanSkate Boys for a fun and energetic number.

Pre Canskate & Canskaters that need assistance will have a program assistant skating with them. WE do our very best to make sure all skaters are happy having a great time making wonderful memories.

REMINDERS

*Ice Show practices start on
Monday Feb. 5th

*If you have a skater that only skates one day a week you have the option of purchasing the extra day of ice time for \$20.

* Starting Feb. 1st, we will be using dressing rooms for our rehearsals so the kids get used to it.

Room assignments will be posted on the first day of rehearsals.
